The golden era of the cinema business. THX Approved surround speaker with 10" + 1,5" driver with constant coverage bi-radial horn. The vertical position of the components and the small distance between the bass unit and the textile front are only some details of this THX Approved surround speaker.

As with every LW surround speaker, this unit is delivered with metal supports or ready for LW7711 U-bracket support or our LW 7713 Totalmount Support. This model is delivered assembled in two unit cartons.
